

# CREATIVE CITIES

## The UNESCO Creative Cities Network

### Mission statement

The network strengthens cooperation between cities that have recognized creativity as a strategic factor of sustainable development as regards economic, social, cultural and environmental aspects.

### The 2030 agenda

The network further commits to supporting the United Nations frameworks, particularly the 2030 Agenda for Sustainable Development.

### Local creativity

The cities of this network work towards a common goal: placing creativity and cultural industries at the heart of their development plans at the local level and cooperating actively at the international level.

### A global network

Cities acknowledge their commitment to developing partnerships that promote creativity and the cultural industries, strengthening participation in cultural life and integrating culture in urban development plans.

### 7 creative fields

The UNESCO Creative Cities Network covers seven creative fields:

- Crafts and Folk Art
- Design
- Film
- Gastronomy
- Literature
- Media Arts
- Music
